

2010 GCTA Area Qualifier

(Tournament ID: 856370410)

May 7 - June 6, 2010

Events: Boys' & Girls 10, 12, 14, 16, & 18 with a feed-in consolation. **Players may enter only one age division*.** This tournament is sanctioned by the USTA, with all play subject to the rules and regs of the USTA. The USTA Point Penalty System will be in effect throughout the tournament. *(Those playing in the 10's can also play in the 12's.)

Tournament Entry: The GCTA Area Qualifier will utilize the on-line **TennisLink** tournament registration system. See page 4 for **TennisLink** registration instructions.

Entry Deadline: Friday, April 30 at 11:59pm. No phone entries. No late entries ... no exceptions!

Entry Fee: \$41.89 (\$38.50 entry fee, plus \$3.39 non-refundable registration fee to active.com)

Junior Age Eligibility: A player may compete in any junior age division (18, 16, 14, 12, 10) if the player is an amateur who has not exceeded the maximum age by the last day of the month during which the tournament is scheduled to start. Players should exercise caution in determining the proper age division to avoid the possibility of starting the year in an age division that you will be ineligible for later in the year. For example, if you have a June, July, or August birthday and you expect to advance beyond the local level, you should consider play in the upper age group from the beginning of the year. All juniors may play an age division until the month of their birth date. Players may play in only one age division (except those playing in the 10's can also play in the 12's).

Residency Requirement: To be eligible for the GCTA Area Qualifier, a player must actually reside in Madison, Franklin, or Delaware Counties. Players who live in, for instance, Licking, Fairfield, Union and other counties must contact their particular area or district tennis association for their specific qualifier information.

USTA Membership: All players must have a current USTA membership to participate in this event.

Draw: Draws will be made approximately 10 days before the start each particular event. (Draws for the Boys and Girls 10's will be made on Sunday, May 2, 2010.)

Seeding Information / Player Records: If you wish to be considered for seeding, you may submit 2009 ranking information and a completed player record listing results from all tournaments played in 2010. Non-sanctioned matches can be considered for seeding; therefore, high school match records are encouraged. Send seeding information to: GCTA Area Qualifier, 1100 Bethel Road, Columbus, OH 43220.

Each age division will be treated as a separate tournament, run by a specific tournament director.

All questions about your particular division should be directed to the appropriate division coordinator listed below:

Endorsement: 17 players (semifinalists in the front draw, quarterfinalists in the consolation, and 5 players selected by the tournament committee based upon rankings, player records, and tournament results) from each division will qualify to advance to the Ohio Valley District Tournament to be held **June 12 – 15, 2010** at the following locations ...

B12: Cincinnati, OH B14: Parkersburg, WV B16: Huntington, WV B18: Cincinnati, OH
G12: Dayton, OH G14: Dayton, OH G16: Columbus, OH G18: Centerville, OH

The B&G 10 OVTA District Tournament will be played in Cincinnati, OH on June 18 – 21
(there will be no MW Sectional Tournament for the B&G 10's)

A player must **Play & Complete** this event in order to be considered for endorsement to the OVTA District Championships. Play & Complete, as defined in the USTA/Midwest website, means that all scheduled matches (including any consolation and playoff matches) in the tournament are started, and none end in a default.

Players wishing to compete in a USTA National Tournament (National Open, etc.): Players wishing to participate in the National Open (May 22-26) or a level 2 or 3 event in May may request a waiver from the Area Qualifier, and thus be part of the Columbus Area quota to the OVTA Districts. To be considered for a waiver, a player must, ***BEFORE*** the April 30 entry deadline: 1. apply for and be accepted into the draw of a level 2 or 3 national event and provide to the GCTA Area Qualifier tournament director a confirmation number verifying entry, 2. the national level tournament must directly conflict with and be the same age level as the particular Area Qualifier event from which the player wishes to receive a waiver, 3. the Area Qualifier reserves the right to limit the total number of waivers granted for a particular age group to a maximum of 4 (waivers would be granted according to ranking order).

The waiver process can be very tricky, with serious timing issues. It will be the sole responsibility of the player and their parents/coaches to manage this process and any timing issues. In order to make draws and schedule matches in timely fashion, and in order to be fair to ALL tournament participants, the Area Qualifier will not be able to delay making the draws while a player waits to find out if they have been accepted into a national event. Note: All USTA rules governing the signing up for two tournaments at the same time will apply. The Area Qualifier will try to assist players hoping to play in a National Open or level 2 or 3 event, but there may be little leeway, given the tight schedule for making the draws, scheduling matches, etc.

Coaching: A player may not receive coaching during any match. After due warning, an offending player may be disqualified.

Warm Up: Warm up will be strictly limited to 10 minutes. Warm up time is for just that, warming up ... it is not practice time.

Scoring: **All matches will be best 2 out of 3 sets with a 10-point Match Tie-Break in lieu of the third set.**

Tennis Balls: Two new tennis balls will be provided for all matches.

Special Match Times: We regret that we will not be able to entertain special individual scheduling requests.

Rules: The Rules of Tennis, USTA Regulations, and The Code, as found in the 2009 or 2010 Friend at Court will govern all play.

Special Note: While every effort has been made to schedule the tournament around the myriad activities that a player might encounter, we regret that there is no way to accommodate everyone and their unique scheduling needs (school trips, other sports, band practices, recitals, etc.)

Draws and results will be posted and regularly updated throughout the tournament on the internet at www.usta.com

Questions? Contact your Division Coordinator, or Jim Hendrix at 614/457-5671 or jnh@ix.netcom.com

NOTICE: All players will be subject to the OVTA Suspension Point System which will be posted on the OVTA District web site at www.ohiovalley.usta.com.

Special Note for Boys 14, 16 & 18

The OHSAA State High School Championships will be played Memorial Day weekend, May 28-29, with the OTCA State Team Championships to be played May 30.

- The boys 16 & 18 events will begin play as early as May 28 for those not playing in the OHSAA State Championships or the State Team Championships.

- School Trips – Players in the Boys and Girls 14 who might have a conflict with a school sponsored class trip must contact their site director no later than April 30. While an attempt will be made to schedule around school trips, there are no guarantees. In the interest of fairness to ALL players, and given court availability, draws sizes, tight scheduling deadlines, etc., there may be no way to schedule around a players’ particular school trip.
- SAT’s – Players scheduled to take the SAT test during the Area Qualifier must contact Kim Hilborn no later than May 5th. After that date, no accommodations can or will be made.
- High School Graduations – A player who might have a conflict with ***their*** graduation ceremony must contact Kim Hilborn at Scarborough East no later than May 10th. An attempt will be made to schedule around a graduation event if possible.
